P.O. Box 421
620 West Loop 254
Ranger, TX 76470
254-647-5133**

April 16, 2026

To All Members:

This letter is to notify you that Staff Water Supply Corporation will be increasing the basic minimum water rate from \$47.50 to \$55.00 for water usage up to 2,000 gallons. Water usage over 2,000 gallons will increase from \$15.00 to \$17.00 per every additional thousand gallons.

Also, we apply and collect a regulatory tax of 0.005% on your water rate. This tax is based on the number of connections we support and is paid back to the Texas Commission on Environmental Quality each year.

We, the Board of Directors, deeply regret having to raise rates. Our last increase was in May 2024. Costs associated with purchasing wholesale water, testing requirements outlined by the Texas Commission on Environmental Quality, tariffs on materials and parts, and gasoline costs are some of the reasons this increase is necessary.

The new increase will be reflected in your May 2026 water bill. If you have any questions, please come by, or contact our office at 254-647-5133.

We appreciate your continued support and understanding.

Sincerely,

Staff Water Supply Corporation
